Precautionary Statements

Wear protective gloves/clothing and eye/face protection. Avoid skin contact. Handle in accordance with good industrial hygiene and safety practice. Always wash hands thoroughly after handling, before meals and after work.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: If accidentally swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting. Rinse mouth. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

If Inhaled: Remove to fresh air; keep patient warm and at rest in a position comfortable for breathing. If breathing is irregular or stopped, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If unconscious place in the recovery position and obtain immediate medical attention. Give nothing by mouth. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Wash skin thoroughly with soap and water or use a recognized skin cleanser. Do NOT use solvents or thinners. If skin irritation occurs, get medical attention. Remove contaminated clothing and wash before reuse.

265 GALLONS (1,003 LITERS)

Weight per Gallon @ 68°F (20°C) is 8.59 LBS

NOT FOR AQUATIC USE

General Information

CropBond™ is a plant-based, modified starch adjuvant that is formulated for use as an activator, extender and sticker to increase the efficacy and longevity of herbicides, fungicides, insecticides, and fertilizer tank mix partners.

CropBond enhances the adhesion of active ingredients to the plant surface and minimizes the effects of environmental factors that may lessen the effectiveness of crop protection products and fertilizers.

Through its natural slow-release properties, active ingredients are released uniformly thereby reducing abiotic stress on the crop.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Store in original container in a cool, dry place away from heat and direct sunlight. Keep container tightly sealed. Handle and open the container with care. Do not open until ready to use. Once container is opened, contents should be used as soon as possible. Do not return residues to the product containers.

Product Disposal: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents in accordance with local and national regulations.

Container Disposal: Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.agrecycling.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of containers in accordance with local and national regulations.

Directions For Use

CropBond is formulated for use in agriculture, forestry, golf course, industrial, non-cropland, roadside, turf, and ornamentals.

Rates for Herbicides and Fertilizers:

24 fluid ounces per acre.

Rates for Acaricides, Fungicides and Insecticides:

24 to 56 fluid ounces per acre.

Mixing Instructions

Prior to application, make sure all equipment is properly cleaned. Always follow directions found on accompanying crop control or fertilizer product labels.

1. Fill spray tank one-half full of water and begin agitation.
2. Add CropBond first to tank mix.
3. Continue agitation.
4. Add liquid soluble crop protection products and fertilizers continuing agitation.
5. Fill the remaining tank with water while continuing agitation.

Emergency Phone Numbers

Have the product container with you when calling a poison control center or doctor, or going for treatment.

POISON CONTROL CENTER: (800) 222-1222

FOR SPILL CALL CHEMTREC: (800) 424-9300

Conditions Of Sale If the stated terms herein are not acceptable, immediately return the product, unopened. Seller warrants that this product meets specifications at the time of manufacture. To the extent consistent with applicable law, no other warranty, whether express or implied, including without limitation the warranties of merchantability and fitness for a particular purpose, and all such other warranties are hereby expressly disclaimed by seller. All technical advice rendered is intended for use by persons having the appropriate certification, education, experience, and skill, and to the extent consistent with applicable law, Seller shall not be liable for any use or non-use of such advice. Factors, including but not limited to timing, mixture, application method, weather and other conditions are beyond Seller's control and ability to eliminate risks in use. Risks include damage from direct application to plants or caused by spray droplet or vapor drift to other plants. To the extent consistent with applicable law, Buyer assumes all risk and liability for all loss, damage or injury to person or property, including without limitation pollution, environmental damage and restoration or remediation liability, resulting from the use of said product, whether used singly or in combination with other substances, or the storage handling and disposal of the product. Except to the extent prohibited by applicable law, the exclusive remedy of the user and the limit of liability of Seller for any loss, personal injury or damage resulting from the use of this product, shall be the purchase price paid by the user for the quantity of product involved. To the extent consistent with applicable law Seller shall not be liable to the buyer for any damages arising out of product use, including without limitation goodwill, profits, manufacturing cost, or business interruption, regardless of the form or basis of buyer's cause of action.
