

# Plant-Tech COC™

CROP OIL CONCENTRATE

## Principal Functioning Agents

Paraffinic Oil, Methylated Seed Oil, Branched Alkyl Phenol Ethoxylate..... 99.0%  
 Constituents Ineffective as Spray Adjuvants..... 1.0%

*Contains Petroleum Distillates*

*All ingredients are exempt from the requirement of a tolerance under 40 CFR 180.*

**TOTAL...100%**

WA REG NO. 994680-24003

## WARNING

**KEEP OUT OF REACH OF CHILDREN**  
**READ ENTIRE LABEL BEFORE USING**

### Hazard Statements

Causes mild skin irritation.

### Precautionary Statements

Wash hands thoroughly after handling. Wear protective gloves/clothing and eye/face protection.

### First Aid

**Note to Physician:** Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

**If in Eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

**If Swallowed:** If accidentally swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting. Rinse mouth. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

**If Inhaled:** Remove to fresh air; keep patient warm and at rest in a position comfortable for breathing. If breathing is irregular or stopped, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If unconscious place in the recovery position and obtain immediate medical attention. Give nothing by mouth. If you feel unwell, call a poison control center or physician for further treatment advice.

**If on Skin or Clothing:** Wash skin thoroughly with soap and water or use a recognized skin cleanser. Do NOT use solvents or thinners. If skin irritation occurs, get medical attention. Remove contaminated clothing and wash before reuse.

### Emergency Phone Numbers

Have the product container with you when calling a poison control center or doctor, or going for treatment.  
 POISON CONTROL CENTER: (800) 222-1222  
 FOR SPILL CALL CHEMTREC: (800) 424-9300

**NOT FOR AQUATIC USE**

### General Information

Plant-Tech COC is a non-ionic blend of special surfactants and a unique blend of highly refined spray oils and is designed for use with a broad range of pesticides where an oil concentrate adjuvant is recommended. Subject to the cautionary statements set forth in the Directions for Use, Plant-Tech COC may be used with other pesticides and/or fertilizer products.

The addition of Plant-Tech COC to a spray tank improves pesticide application by modifying the wetting and deposition characteristics of the spray solution resulting in a more even and uniform spray deposit.

Plant-Tech COC can positively affect pesticide spray application and pesticide efficacy. Optimum application and effects, however, can be influenced by the crop, pest, spray equipment, spray volume, pressure, droplet size, spray mixture and environmental factors. Consequently, it is recommended that careful observations of the spray deposit be made, and adjuvant concentrations be adjusted accordingly.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal of this product.

**Storage:** Store in tightly closed containers in a dry, well-ventilated area away from excessive heat and incompatibles (oxidizing agents).

**Product Disposal:** Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents in accordance with local and national regulations.

**Container Disposal:** Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.agrecycling.org](http://www.agrecycling.org). Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of containers in accordance with local and national regulations.

Plant-Tech COC is a trademark of Plantnetics, LLC

### Manufactured for:

15814 Champion Forest Drive, #191  
 Spring, TX 77379

832-843-3199 • [www.plantnetics.com](http://www.plantnetics.com)

### Directions For Use

Read and follow the precautions and directions for use on this label and the pesticide it is being applied with.

#### Use Rates:

**Aerial and Control Droplet Application (CDA):** 4 to 8 pints (0.50% to 1.0% v/v) per 100 gallons of spray mix.

**GROUND:** 1 to 4 pints (0.125% to 0.50% v/v) per acre.

**NOTE:** Do not exceed 2.5% v/v.

### Mixing

Fill spray tank 1/2 full, add the desired amount of herbicide and continue filling. Add Plant-Tech COC last. After filling, continue agitation. Always follow pesticide label directions, acceptable practices and advice from your crop consultant.

### NET CONTENTS

2.5 GALLONS (9.46 LITERS), OR,  
 2 X 2.5 GALLONS (18.925 LITERS)  
 265 GALLONS (1,003 LITERS)

Weight per Gallon @ 68°F (20°C) is 7.34 LBS

**Conditions Of Sale** If the stated terms herein are not acceptable, immediately return the product, unopened. Seller warrants that this product meets specifications at the time of manufacture. To the extent consistent with applicable law, no other warranty, whether express or implied, including without limitation the warranties of merchantability and fitness for a particular purpose, and all such other warranties are hereby expressly disclaimed by seller. All technical advice rendered is intended for use by persons having the appropriate certification, education, experience, and skill, and to the extent consistent with applicable law, Seller shall not be liable for any use or non-use of such advice. Factors, including but not limited to timing, mixture, application method, weather and other conditions are beyond Seller's control and ability to eliminate risks in use. Risks include damage from direct application to plants or caused by spray droplet or vapor drift to other plants. To the extent consistent with applicable law, Buyer assumes all risk and liability for all loss, damage or injury to person or property, including without limitation pollution, environmental damage and restoration or remediation liability, resulting from the use of said product, whether used singly or in combination with other substances, or the storage handling and disposal of the product. Except to the extent prohibited by applicable law, the exclusive remedy of the user and the limit of liability of Seller for any loss, personal injury or damage resulting from the use of this product, shall be the purchase price paid by the user for the quantity of product involved. To the extent consistent with applicable law Seller shall not be liable to the buyer for any damages arising out of product use, including without limitation goodwill, profits, manufacturing cost, or business interruption, regardless of the form or basis of buyer's cause of action.
